

K-9 Mentalist, Ryan Matthews, is a combat veteran turned celebrity dog trainer. He began his career in the Army while training and handling Elite Military Working Dogs. After his honorable discharge from the Army, Ryan began applying his K-9 Mentalist strategies and successfully transformed the lives of more than 3,000 dogs and their owners. By applying the lessons he learned while training dogs, Ryan has managed to overcome severe PTSD, childhood trauma, and near-death experiences. He shares his valuable knowledge in two TEDx talks, books, reality TV, talkshows and news appearances. Online one can find his e-learning program with 200 instructional dog training videos. The results-driven DIY Dog Training School was created as a way to prevent dogs from being returned to shelters where they face euthanasia simply because of their naughty behaviors.
